

MAIDENS IN THE DERBY

Buchanan (1884), Sir Barton (1919) and Brokers Tip (1933) are the only maidens to win the Kentucky Derby. Sir Barton would go on to become racing’s first Triple Crown winner.

Twelve maidens (a horse that has never won a sanctioned race) have run in the Kentucky Derby since 1937 (records prior to 1937 are incomplete).

The following is a list of maidens that started in the Kentucky Derby from 1937 to present.
